

Diversity is the range of human differences. These dimensions include but are not limited to race, color, ethnicity, socioeconomic difference, gender, gender identity, sexual orientation, age, mental and physical ability, and religious or ethical values system. Please use this tool to consider how the staff and board of your organization reflect the constituents you serve. For your organization in the following categories, please provide the percentage of individuals from traditionally marginalized populations (for example: people of color, sexual orientation, or physical ability)
