Scholarship Application

This application serves the scholarship programs of Muskegon and Mason Counties only (do not complete this application if you are not a resident of these counties). This program is administered in Muskegon by Dana Scott, Scholarship Coordinator. Your completed application may be submitted in three easy steps:

1. Complete this application electronically (by 11:59 pm on February 1, 2021) by clicking the “Submit My Data” button on the Finish screen. You will receive a email confirmation that your application was submitted successfully.
2. Request an official transcript showing cumulative GPA, rank in class, and SAT scores. High school students can submit a transcript using Parchment if available at your school, and college students can have the records office send the transcript electronically to dana@muskegonfoundation.org. Also, you may mail the transcript to the Community Foundation for Muskegon County, 425 W. Western Avenue, Suite 200, Muskegon, MI 49440 by February 1, 2021. If you are dual enrolled, please submit your college transcript also. If you are a current college student, a transcript from the college is the only transcript required.
3. Provide financial information: If you have completed your FAFSA, please provide the first page of your Student Aid Report and email to dana@muskegonfoundation.org or mail to the Community Foundation for Muskegon County, 425 W. Western Avenue, Suite 200, Muskegon, MI 49440 by February 1, 2021. Please notify the Foundation if you are unable to complete your FAFSA or want to be considered for merit-only scholarships.

It is very important to review your application before clicking the submit button. Our Scholarship Committee will use this information when making decisions, so please make sure it is complete and accurate. If you do not click the “Submit” button, your application will not be received by the Foundation and you will not be considered for a scholarship.

When filling out narrative questions, you are limited to the space allowable on the printed version. Please pay attention to word limitations, but also please make sure that nothing is cut-off on the printed version. Anything not visible will not be read.

Please remember to review the application checklist at the top of this page before submitting your application.

If you have any questions or need assistance with the scholarship application process, please contact Dana Scott, Scholarship Coordinator for Muskegon and Mason Counties at the Community Foundation at dana@muskegonfoundation.org or 231-332-4104.
