Early Literacy Coaching

Through this effort, the MAISD will place a literacy coach in every public school district to help ensure that children in our county can enjoy all things that result from becoming confident, lifelong readers and writers.

Preschool for All

To give more children access to early education, this pilot program will open four free preschool-daycare classrooms through a partnership between Muskegon Public Schools, Muskegon Heights Schools, and the YMCA/Goodwill.

Read Muskegon Literacy Collaborative

Focused on addressing the root causes of illiteracy, this program helps families and neighborhoods work together to reduce poverty and build advocacy, employability, and leadership skills.
